

Learn Big IN24+EP, IN26+EP & IN34EP InFocus

Learn Big IN24+EP, IN26+EP

The versatile teacher's aide.

The InFocus Learn Big IN24+EP and IN26+EP are hard working, compact and designed to impress. The sleek design makes it easy to transport from classroom to classroom, or you can choose to have it installed and take advantage of the extreme Keystone correction feature to ensure a flawless image everytime. This projector provides hours of worry-free use with high quality performance that will captivate your students and engage them in a whole new way.

Budget-conscious and full-featured!

Now you can finally get top-quality projector performance at an affordable price. The InFocus Learn Big IN24+EP or IN26+EP give you the features and dependability you demand at a price that will leave room in your class budget. With a recessed lens and sleek, compact design, you can be certain that the IN24+EP and IN26+EP will stand up to frequent use and always be ready for that next big chapter in your class lesson. The latest DLP® (Digital Light Processing) technology from Texas Instruments™ adds to the IN24+EP or IN26+EP's long-term reliability with a 5-year imager guarantee. Now that's peace of mind.

Education comes first.

InFocus Learn Big projectors offer exceptional performance and an industry-first warranty to help educators everywhere. This warranty covers 3-years on parts and labor, as well as a 5-year imager warranty; that's a lot of excitement for your classroom, guaranteed.

Added features mean added value.

- Security locking mechanism acts as anti-theft deterrent.
- Optional PIN code feature ends unauthorized projector use.
- Full ProjectAbility keypad provides easy access to over 90% of the features you need most.
- A versatile projector lineup: IN24+EP & IN26+EP feature 2400 lumens, IN34EP features 2500 lumens

Learn Big IN34EP

InFocus

Brilliant in the classroom.

When the morning bell rings and the classroom fills the spotlight is on you. Thankfully your InFocus Learn Big IN34EP projector will always be by your side to capture your students' attention. The colors are rich; the images, crisp and clear. It's a high performance projector built for frequent use and long-term reliability. Once you've experienced the impact of teaching with the IN34EP it will be hard to imagine a day without one. Giving your ideas the biggest, brightest and clearest platform possible has never been more affordable.

Smart design makes you the hero.

Easy to set up and easy to use, the InFocus Learn Big IN34EP removes the hassle factor altogether. Better yet, all Learn Big projectors come with stylish velcro tie-wraps that ensure easy stowaway of both power and data cables. All components are color-coded for ease of use and cable inputs are easily accessible on the rear I/O panel for effortless installation and seamless cable management.

LiteShow II Wireless Adaptor

Stream multimedia presentations or high-resolution video and audio simultaneously from any computer in the classroom to your new InFocus Learn Big projector.

You'll never have to switch discs or mess with multiple computers at the podium again thanks to LiteShow II. Along with impressive wireless functionality, this adaptor also extends your wireless network's strength to keep everyone online and tuned-in.

Enduring Quality

If you're happy, InFocus is happy. That's why these InFocus Learn Big projectors come with a standard 3-year factory warranty (including parts and labor), a 1-year lamp-replacement warranty and a 5-year imager warranty.
