

The Epson MovieMate™ 30s takes home entertainment to the next level, combining a portable, high quality projector, a CD/DVD player and speakers all in one simple unit. Just plug it in and get brilliant widescreen performance anywhere — indoors or out. Enjoy crystal clear movies, games and more. Optional accessories include a powerful external subwoofer and a travel-friendly 80" screen!

- Brilliant widescreen movies, sporting events, video games, digital photo slideshows and stereo sound
- Everything you need for great home entertainment: Progressive Scan DVD/CD player, and two 10 W built-in speakers.
- Easy setup with no cables to connect for DVD viewing
- Enjoy an amazing 80-inch to 12-foot image on any white wall
- Connect your PC or Macintosh® audio and video for bigscreen presentations with sound
- Enhanced definition resolution (native 480p)
- Offset lens shift for distortion free images, even if the unit is not aligned with the screen or wall
- Optional 40W subwoofer (available separately)
- Optional 80-inch, free-standing, 16:9 screen (available separately)
- Two-year warranty (includes priority, toll-free technical support), plus 90-day lamp warranty
- Epson 3LCD technology
