

DELL

The New Dell™ 3400MP Projector

The Dell 3400MP:

An Affordable, Ultraportable,
Full-featured Projector

- Bright 1500 lumens (max)¹ in a mere 2.4-pound projector
- Quiet operation — ventilation-optimized design produces only 36 decibels in Eco-mode
- Internal 1-watt speaker
- Sleek, professional design looks good in conference rooms, classrooms or home
- Tested and qualified with Dell notebooks and Microsoft® Windows® operating systems and optimized for Dell Latitude™ portables

The **Dell™ 3400MP Projector** is the perfect traveling companion for anyone who wants the ultimate in portability and flexibility without paying a premium price. Weighing in at just 2.4 pounds, the 3400MP projector delivers crystal-clear images and quiet operation in a small, easy-to-use form factor. The Dell 3400MP includes an IR full-featured remote control with mouse and laser pointer, all relevant cables, an easy-to-use Quick-Start setup guide and a rugged carrying case. The 3400MP gives the frequent traveler the freedom to make impressive presentations easily and affordably.

The New Dell 3400MP Projector delivers:

Outstanding Performance

- Highly portable, 2.4-lbs. design (1.09 kg)
- Bright display of 1500 ANSI Lumens (max)¹
- Crisp images with contrast ratio of 2100:1 (full on/full off)
- XGA (1024 x 768) resolution
- Deployable colors: 16.7 million
- 1.15X Manual Zoom
- Integrated zoom lens and automatic vertical keystone adjustment corrects distortion caused by tilting

Optional Accessories

- Replacement lamps
- Projection screens (portable and fixed)
- 50- and 100-foot extension cables (PC and video)
- Wheeled carrying case (projector/notebook)

Exceptional Reliability

- Eco-mode can increase lamp life from 3000 to 4000 hours and improve acoustics by decreasing sound levels to 36 decibels
- Dell projectors undergo exhaustive testing for performance, reliability, durability and compatibility with Dell systems.

Easy to Buy, Own and Use

- Purchase price includes all relevant cables, remote and hard-foam carrying case
- Portable Quick-Start guide enables immediate usability — QuickSet software automatically adjusts to the native resolution of the projector display
- Dell's direct business model offers a high-quality projector at a low price
- Single point of contact and a variety of service offerings ensure accountability and peace of mind

Dell cannot be held responsible for errors in typography or photography. ¹Based on ANSI/NAPM IT7 228-1997 tests of 58 units, December 2004, with average ANSI Lumens 2113. Lamp brightness degrades with usage. Dell recommends replacing your lamp after 2000 hours of usage (up to 2500 hours in Eco-mode). ²For a copy of our guarantees or limited warranties, please write Dell USA L.P., Attn: Warranties, One Dell Way, Round Rock, TX 78682. For more information, visit http://www.dell.com/us/en/gen/misc/policy_010_policy.htm
³Replacement system or replacement part will be dispatched, if necessary, following phone-based troubleshooting, in advance of receipt of returned defective part or system. Replacements may be refurbished. Defective unit must be returned. Lamps have a 90-day limited warranty. Availability varies. Other conditions apply. CompleteCare service excludes theft, loss and damage due to fire or intentional damage. CompleteCare not available in all states. Customer may be required to return unit to Dell.
