

VS350W

MULTIMEDIA PROJECTOR

Ultra bright. Ultra wide. Ultra affordable.

The EPSON® VS350W delivers ultra bright widescreen performance in any setting. Its 16:10 format produces 30% more image area than a standard 4:3 projector, while 3LCD technology and 3700 lumens of color/white light output¹ create brilliant color and razor-sharp detail that's sure to captivate any audience, even in large conference rooms. Set up in a flash with USB Plug 'n Play instant setup. Use the built-in 5-watt speaker to enhance your presentation. When you need to impress your audience and close the deal, the affordable VS350W gives you the functionality and quality to make it happen.

Amazing image quality — native WXGA (1280 x 800) resolution, supports input up to 1400 x 1050

Super bright and colorful — 3700 lumens color light output and 3700 lumens white light output¹

VS350W MULTIMEDIA PROJECTOR

The best-selling projectors in the world.

Epson offers a wide range of high-quality projectors to meet almost any need. Built with image quality and reliability in mind, Epson projectors enhance communication and inspire collaboration, while offering a low total cost of ownership. From ultraportable projectors designed for educational settings to boardroom-ready business projectors, Epson has a model that's perfect for you.

3LCD technology — for quality and color that's beyond amazing

Innovative technology with proven reliability

- 3 chips for full-time, true-to-life color
- 25% less electricity required per lumen of brightness when compared to 1-chip DLP projectors²
- Over 20 years of road-tested reliability built into every projector

▲ 3LCD, 3-chip technology

Energy-efficient E-TORL[®] lamp, exclusively from Epson

- Long lamp life lasts up to 4000 hours³
- Minimizes both light diffraction and light leakage
- E-TORL lamps maximize your presentation time, while minimizing your costs

▲ E-TORL lamp

▲ Compact and portable design

Better Products for a Better Future™

For more information on Epson's environmental programs, go to eco.epson.com

Eco Features

- Energy-efficient 3LCD light engine
- Energy-efficient E-TORL lamp
- Designed to be recycled⁴
- RoHS compliant
- Epson America, Inc. is a SmartWaySM Transport Partner⁵

USB Plug 'n Play instant setup

- No more computer function keys or bulky VGA cables
- Just plug in a standard USB cable and instantly project video and audio from your PC or Mac®
- Instantly view your images on both the screen and your computer; one standard USB cable does it all
- This USB connection also enables you to maintain control over your presentation with the page up/page down function on the remote control

Amazing light output

The EPSON VS350W delivers 3700 lumens of color light output and 3700 lumens of white light output¹ for rich, colorful images. Whether you're projecting images with deep, dark colors or a white screen with minimal text or graphics, you get consistent light output. And, with Epson, you can be confident you're getting what you need because Epson measures white light output according to the ISO 21118 standard, a more rigid standard than the outdated ANSI lumens rating used by competitive products.

High color light output

Low color light output

Actual photographs of images taken from two competing projectors run in default mode. Price, resolution and brightness (white light output) are the same for both projectors.

VS350W Features

- **Rich, true-to-life color and reliable performance** — 3LCD, 3-chip technology
- **Larger-than-life widescreen images** — high-definition WXGA (1280 x 800) resolution and a 16:10 aspect ratio; ideal for HD content
- **Super bright and colorful** — 3700 lumens color light output, 3700 lumens white light output¹
- **USB Plug 'n Play instant setup** — instantly projects audio, video and mouse control from a PC or Mac via a USB connection
- **Quick, convenient control** — Instant Off®/On, Sleep Mode (A/V Mute), Direct Power Off/On
- **Added flexibility** — 1.6x optical zoom
- **Enhance your presentation with amazing audio** — built-in 5 W speaker
- **Added features, no added cost** — built-in closed captioning capabilities
- **Energy-efficient E-TORL lamp** — up to 4000-hour lamp life³
- **Security in any environment** — convenient metal anchor bar
- **Filters to protect your investment** — with easy side access for hassle-free maintenance

Brilliant widescreen performance

Featuring WXGA resolution, the VS350W is ideal for use with the latest-generation widescreen computers, and for projecting high-definition content. Its native 16:10 aspect ratio allows you to fully utilize the capabilities of your widescreen computer, giving you:

- 30% more image area than a 4:3 image
- 10% more image area than a 16:9 image

The VS350W still allows you to display 4:3 and 16:9 content without losing image quality.

SVGA

800 x 600
Meets basic projection needs

XGA

1024 x 768
Ensures sharper detail

WXGA

1280 x 800
Offers the highest quality and is ideal for widescreen (16:10) display
