Features of the BOXi Mobile Projector

Real Projection
True Color Reproduction

BOXi's specially developed LED optical engine provides true color reproduction, creating a superior high speed video experience.

Short Focus
Short Focus - Space Saving

Project a 50" image with only 3.3' of throw distance allowing for high flexibility for both business presentation and home theatre applications.

Mobile & Light
Compact and Light Weight

Weighing only 1.1 lbs and as compact as a lunch box at 5.2"x5.6"x1.7". Easily carry BOXi anywhere in a brief case or tote bag.

Quiet
Silent Design

The quiet engineering of BOXi allows for important meeting and presentations to be conducted without disruption.

Quick & Easy
Simple to use

Project an image only seven seconds after powering on.[*1] The included case acts as a mount which makes setup a breeze.

Long Life & Eco
Low Maintenance

With a life of 20,000 hours, the LED lamp can be run for eight hours a day for 2,500 days (approx. 6.8 years). It's great as an industrial display as well.

WiFi
Wireless Presentations

Wireless presentations are possible using the computer APP *BOXi Play* or the iPhone® and iPad® iOS App *BOXi Air*. Conduct a stylish presentation.

*1 Except when using WiFi or USB memory.
