PRO | SCENE

The Optoma EH504 is a full HD 1080p professional Installation projector, offering a brightness of 5000 lumens, crystal clear images, and a variety of advanced features to facilitate a quick installation. The Optoma EH504 is ideal for conference rooms, large classrooms, lecture theatres, museums and houses of worship.

For more complex installations, this projector is equipped with a large zoom range, vertical lens shift and a built-in geometric adjustment feature - ideal for uneven walls or where a projector placement is awkward and needs to be installed at an angle.

Equipped with a variety of connection options, including two HDMI on rear and one hidden HDMI with built-in MHL technology for the optional HDCast Pro dongle, the EH504 allows you to connect to a wide range of HD devices to easily display your content. In addition, the environmentally friendly EH504 has energy-saving features including Eco+ lamp power management and auto power off, saving you both time and money by prolonging your lamp life.
